

SPC COVID -19 Communication
8/20/20

Inevitably, there will be situations where some of us will have to travel out of our typical areas for gatherings or meetings. We felt it was necessary to clarify SPC's policy regarding travel during this COVID-19 pandemic.

When traveling out of state to gatherings of 10 or more people, SPC employees must isolate for 72 hours and test negative for COVID-19 upon their return. This also applies to commercial air travel.
